After serving as an intern, **Abeer Memon** joined Harbage Consulting as a Policy and Outreach Coordinator in January 2017. In this role, she contributes to multiple projects related to behavioral health policy, project management, stakeholder engagement, and strategic outreach and communication support.

Prior to joining Harbage, Abeer worked as an Administrative Assistant Analyst at UCLA Health, where she helped new and returning patients navigate the open enrollment process for health coverage under the Affordable Care Act (ACA). She coordinated new patient services both within and outside the health system to assist patients with the medical and financial aspects of their health care needs.

Abeer also worked as an experienced associate for Pricewaterhouse Coopers (PwC). In that position, she executed multi-year US GAAP financial statement audits and Sarbanes-Oxley 404 internal control audits for real estate clients, including hospitality, property management, land development, and a public REIT. Abeer performed planning procedures, which involved the identification of significant risks, scoping of accounts, and planning audit responses.

Abeer is currently a candidate for a Master's in Public Health from the University of Southern California Keck School of Medicine and has a bachelor's degree from UCLA in Economics with a minor in Accounting.
