**Brianna Nielson** serves as an Outreach Specialist for Harbage Consulting, where she provides education and outreach support for the Coordinated Care Initiative in Santa Clara County.

Prior to joining Harbage, Brianna was a program coordinator for the ComPACT Clinic at the Veterans Affairs Hospital in St. Louis. In this role, she supported the implementation of an innovative primary care clinic designed to improve the continuation and coordination of care for individuals with multiple chronic illnesses.

Brianna has experience developing and supporting multiple programs focused on fostering collaborative partnerships with schools, nonprofits, and other community stakeholders through her past work at the Catholic Institute of Lasallian Social Action. While in this position, Brianna collaborated with a family resource center to conduct an in-depth study on the effects of low health literacy and designed a visual guide of the Medi-Cal application process to make this important health coverage more understandable and attainable for Medi-Cal beneficiaries.

Brianna holds an undergraduate degree in biology from Saint Mary's College of California. In her free time, Brianna enjoys exploring new cities, camping out in coffee shops, and spending time with family and friends.
