

Fatima Aziz

Accountant

fatima@harbageconsulting.com

Fatima Aziz supports the Finance and Operations team assisting with general accounting tasks such as expenses, reimbursements, and invoicing.

Prior to joining Harbage Consulting, Fatima was an accountant at Cares Community Health, a nonprofit clinic where she supported the accounting team on payroll operations. Fatima also previously worked for the San Francisco Housing Authority where she sharpened her skills with accounts payable, accounts receivable, and payroll.

Fatima graduated from Sacramento State with a BA in Communications and a minor in Business Administration. After graduating, she continued her education by earning an MBA at the Keller School of Management. Fatima enjoys being involved in the community and helping others. At the end of the day she likes to spend time with family, her dog Duke, and growing spiritually and mentally.
